PRESS RELEASE FOR IMMEDIATE RELEASE

World Peace Walkers Return to Los Angeles To Accept Hero Award

The Trail Of Dreams World Peace Walkers will be in Los Angeles from March 16th through March 22nd, as part of their current walk, the [13 Moon Walk 4 Peace](http://www.13moonwalk4peace.com). This national peace walk began in Atlanta, Georgia on 10/10/10 with plans to circle the country for approximately 10,000 miles until 11/11/11. The peace walkers will be visiting over forty cities with their message of peace and social justice. They are carrying the "Sacred Flame Of Thunder" representing The Great Law Of Peace passed on from the Iroquois Six Nations in Canada.

The 13 Moon Peace Walkers will be honored with the Season of Non-Violence, L.A. Hero's Award, at the Agape International Spiritual Center, Michael Bernard Beckwith, Founder and Spiritual Director, and the Common Peace Center for the Advancement of Nonviolence on Sunday, March 20th, at the 9 am service. A Walk-A-Mile for Peace activity is being planned at McArthur Park (corner of Parkview and 6th St) at noon on Saturday, March 19. The public is encouraged to join the peace walk. The group will also be involved with various service projects while in L.A.

Two members of the 13 Moon Walk 4 Peace have been peace walking for over a decade; [Audri Scott Williams](#), the first African/Native American woman to lead a world peace walk and [Karen Hunter Watson](#), visited communities in L.A. in 2006 during the Trail of Dreams World Peace Walk.

“The idea for the 13 Moon Walk 4 Peace” says Audri Scott Williams, Visionkeeper for the Trail Of Dreams peace walk, “came when we returned to the USA from our three and half year global walk for peace. On our journey from New York back to Atlanta, Georgia, we were struck by the pockets of poverty and disenfranchised communities that appeared to be under the radar, invisible to the general population.

We realized our work was not done, in many ways it was just beginning. We decided, before we even made it back home to Atlanta, that we would do a walk in the USA to be a catalyst for healing the heart of our communities here at home.”

The goal of the 13 Moon Walk 4 Peace is to awaken the heart of America, bringing visibility to the invisible and voice to the voiceless, to affect healing and transformation in the way we relate to each other and Mother Earth. The project is being sponsored in part by The Spirit of Truth Foundation, a 501(c)(3) non-profit organization and the generosity of all those aligned with the cause.
