## ***About the 13 Moon Walk 4 Peace ...***

*"The idea for the 13 Moon Walk for Peace," says [Audri Scott Williams](#), VisionKeeper for the Trail of Dreams World Peace Walk, "came when we returned to the USA from our three and a half year global walk for PEACE. On our journey from New York back to Atlanta, GA, we were struck by the pockets of poverty and disenfranchised communities that appeared to be under the radar, invisible to the general population. We realized our work was not done, in many ways it was just beginning. We decided, before we even made it back home to Atlanta, that we would do a walk in the USA to be a catalyst for healing the heart of our communities here at home."*

*The 13 Moon Walk 4 Peace has grown since the original vision to become a walk to over 50 cities and communities across America on a 13 Moon walk and community engagement campaign from 10-10-10 to 11-11-11.*
